“ During this difficult time it is especially important to draw close to GOD in prayer, for the Bible promises that "he himself will sustain you".Psalm 55:22. We can be encouraged by reflecting on the promises that God has given us thru his word the Bible concerning the hope of seeing our loved ones again. Hopefully you will find comfort in reading these scriptures from your Bible, John 11:11-44 and Revelation 21:4. My prayers are with your family.##imported-begin##Linda##imported-end##
