

Samuel Munoz

February 24, 1986 - September 17, 2019

SSG Samuel Munoz, 33, husband of Tabitha Beam Munoz, passed away unexpectedly Monday, September 16, 2019 in Georgia. February 24, 1986 a bright light was born to Samuel and Carmen Munoz. He was taught from the very beginning that family is everything and to treasure it. In his short 33 years he changed lives, saved many, and even helped start a few more - four to be exact. He taught his sons what it meant to be honorable and his daughter that she deserved to be treated like a Queen. Sam was many things depending on who you were talking to. Sam. Samuelito. Daddy. Solider. A fish. Each descriptor saying something different than the last but each conveying the same message. Sam was a man of love, honor, loyalty, respect, and a jovial spirit. His children describe him as brave, funny, well dressed, and a dancing man. They will cherish these memories for many days long beyond now. His wife calls him a fish, a man intrigued with anything in the water. Fishing, boating, swimming; anywhere, anytime, if there was water, Sam was in. His friends describe him as an excellent host that served up all sorts of delicious meals and entertainment, especially his chicken bog. They remember all of the times he was there for them and his ridiculous love of the color purple. He never met a stranger and never met a soul he didn't love. Sam leaves far more than the list of family members and endless list of friends. He leaves behind a lifetime of laughter and more love for his family and friends than he knew what to do with. He leaves behind his children who he lovingly referred to as Papi, Mama, Flaco, and Gordo. He adored his

children and his children adore him. Sam was a bright light though dark days and dark times. His light will continue to shine, just look in his children's eyes and you'll see it.

Sam proudly served his country as a Tank Commander in the U. S. Army for 13 years and has been deployed to Iraq, Norway, Poland, Germany, and South Korea.

SSG Munoz was predeceased in death by his maternal grandfather, Luis Moreu and his brother-in-law, Justin Beam.

Survivors include his wife, Tabitha Beam Munoz; his children, Samuel Joah Munoz, Kyler Justin Munoz, Aria Nicolette Munoz, and Kacen Jeremiah Munoz; his parents, Samuel and Carmen Munoz; his sister, Katherine Munoz Rowell; brother-in-law Randall Rowell; his brothers, Jeremy Munoz and Andrew Munoz; his paternal grandparents, Geraldo and Judith Munoz; his maternal grandmother, Isabel Portalatin; his brother-in-law, KJ Beam; his father-in-law, Keevin Beam; a very special Aunt, Crystal Gasque and A Special Uncle Mark Gasque. Many nieces, nephews, cousins, aunts, uncles, and other extended family.

“ *I was so sorry to find out Sam had passed, when Tabitha called me it was like a flashback thru time when I had to make the call to Tabitha and Sam that Justin was gone .. it is a surreal feeling , I can not say it gets better, it becomes a new normal...my love, thoughts and prayers always...only a phone call away if needed. Sam might have been my son in law but he truly seemed like a son. His smile and easy going nature was a lot like Justin, the love for his children and his family was surpassed by nothing in his eyes. All my love

“ Sorry to hear of your loss. I remember Sam from Cathedral Christian Academy. I was a teacher there for a few years and he was friends with my son. He had been at my house many times in his high days, always respect and funny. He had such a great personality. Anyone who knew SAMUEL has been blessed.

“ I will never forget a time i came over to your house & Sam was making all 6 of our kids some lunch because of course they were all hungry! he was singing & dancing acting so silly while serving the kids all their food one by one! I will never forget it because i was laughing so hard. I know he will be missed very very much by so many people...especially all four of his babies ❤️ i'll never forget all Sam & Tabatha did for me & my babies when we lived in Benning all alone & they made me & my kids feel like family !

“ First, my deepest condolences to his parents, his children's, the wife, family and friends. I know Samuel for sometime now. To me he was a happy person always smiling. Had a great heart for people. I thank him for servicing for our country many years. The part i going to miss more. Is that me and him would bump at Wal-Mart on Hwy 544 he would be with some of his kids at the toy selection, we would stop give each other a hug and talk for few. I would ask him how was everyone and other things to. He would always say it's okay. We would talk about my son who sick. He would always say don't give up. You keep going forward with all the battles god throw to you. Things will get better. Those are words i will always remember of him. I still can't believe sometime that it true he gone. I sure going to miss not seeing him in Wal-Mart and at the clubs to. He was an honorable young man, great dad, friend, son and everything else. God took a trooper to be by his side. He will be missed but never forgetton. Prayer to the entire family. Gone to soon. Samuel may you rest in paradise. ❤️🙏❤️🙏❤️🙏❤️

“ I have so many memories of sam. All the many parties at the house in AL. My favorite was watching him and his family build Joah his playground in the backyard. He was such a hard worker. He always played along for the birthday parties and Halloween parties. Sam will always be a light that is missed.

“ Sam, I'll never forget the glister you made in Tabitha's eyes for the love you shared. For the sweet, young memories you made with me and Michael, taking us to the Spanish club and trying to teach me authentic dancing, your love for life spoke for itself and the love for your family and Tabitha will live forever.
