“ Dear Family of Sandra,
I was a friend of hers in grade school at Pacific Avenue , we grew up two blocks away from each other. She was always kind to me, i was bullied in school because i was born with a cleft palate, Sandra did not care. I asked her once why she was my friend, she said she didnt care what other people thought, even at a young age she had a caring soul. It did not surprise me that she was an animal advocate. With me being a nurse I hope that Sandra passed in peace and without pain. My sincere condolences to you and yours. I was wondering if someone can send me notice when the memorial service would be, i would like to attend it.

Sincerely yours,

“ I am so sorry for your loss of your beautiful wife and daughter . I worked with Sandra at Ark 10 years ago , when I first moved here. She was so nice and kind. I loved her long flowing skirts and cowboy boots:). She was such a nice person. I really enjoyed her stories, she had an interesting life and a full life. “ I'm soooooo very saddened to hear of Sandra's passing! We worked together at Ark Animal Hospital and we both shared a love of animals! We also spent times together shopping and had so much fun together...we BOTH shared a love for cowboy boots and I remember one shopping trip I found a pink pair on sale n I grabbed them...every time we talked on Facebook she always told me when I was done with those pink boots that she wanted them...she had a wonderful personality. We have kept in touch since I moved back to Virginia! I will miss our bantering and laughing over cowboy boots! I will greatly miss our friendship! RIP beautiful lady! I love u! Pamela Saul Morrison
