“ We are so sorry for your loss. May ‘the God of all comfort’ be with your family at this difficult time. Psalm 71:1a

“ I’ll never forget her kindness, loving words and integrity. I was at work, and someone said her name, and the invisible string reminded me, and I knew, but nobody called me. She traveled to places that others wouldn’t be brave enough to go, and with her loving example, I became a stronger person. She would always treat people with kindness, and when we disagreed I always remember her powerful words about how to see the world, as not always black and white....I am grateful for Aunt Sandra...she shared a lot of truth. Love, Reiné

“ Sandra was a lovely woman whose dignity was an immediate observation. She approached her life graciously and her friendships with sincerity. She and I shared a bit of golf together at Seasons but most of all a love of Bucks County where both of our sons and their families resided. Very dedicated to Brookgreen Gardens, she was a generous volunteer and so well respected. She will be missed by neighbors and friends and of course by her beloved family.
