“ Dear Sandy, It was an absolute pleasure working with you at the Lighthouse Care Center. We worked several shifts together and no matter what came our way, we always managed to get through the day. I always appreciated your smile, your gentle touch and your calm soothing voice saying, " I'll help you with that...don't worry about it darling. You were taken from us suddenly and will be truly missed. May God keep and hold you safe. Your in my thoughts and prayers. God bless you and your family. MARNIE PINO,RN
