“ Sandy was an amazing friend. She and I shared many laughs together. She loved her children and grandchildren very much. She use to tell me how smart Chris was and how proud she was off him. She always said Amanda was brilliant and beautiful. She would talk about her dad and golfing. She always had nice things to say when things were not going that well. She had a beautiful heart. I am praying for her family. I hope you all can find peace! Prayers are being sent your way!

“ I'm sorry that I did not get to know Sandra better but always considered her family as she was married to one of my favorite Uncles. I know that if he loved her that she was a special person and that's the way we will remember her. Our deepest love, sympathies and prayers go out to you Uncle Jack and to all the family. As people of deep faith in God, we still believe that He will provide a way forward in our darkest days. He will have the ultimate victory and one day end all pain and wipe the tears away from the eyes of those who place their faith in Him. Much love, Mark and Emily, Everett, Zachary, Brennan and Chloe Wickham
