Tribute Wall

“ Nancy and I want to offer our most sincere condolences to Sammi's family. We grew to love him since our meeting him over 28 years ago. He was a genuine friend, always being his unique self and giving of whatever he could offer. I played golf with "down the middle Sam" and enjoyed his take on life. His stories of his past, including meeting Adell, his army career, and many other subjects, were always entertaining. We will miss his cooking, specially those greens with streaky meat. We know he was suffering when I last visited him. He is in a better place now. God Bless Him!##imported-begin##Jerry and Nancy Sweeney##imported-end##

“ I can well remember sitting with Sammy and Adell while they both would talk with pride about their only son Zeb Stan and their 2 grandsons. He was always proud of his family and Stan was able to spend so many good retirement years with him. My prayers are with you.##imported-begin##dayle helms##imported-end##
