“ Sam has been so much a part of my cherished childhood memories that I can't help but feel a sense of loss. A good man, a hard worker, firm in his convictions but never without a sense of humor; what a great role model he has been. Who else could I have entrusted the role of Godfather for Christopher? Please know that you are being held in my thoughts and prayers. Fran, you and Sam have always been held in my heart. With much love and affection,
