“ To the family, I read of your loss and want to express my deepest sympathy. It is always hard when we lose a loved one because we have a built-in desire to live and enjoy life with our family and friends. That is why death is not natural for us. When we lose our loved one, for whatever reasons we may believe, it is distressing because we miss them very much. At these times we need encouragement and hope so that we can cope with our loss. For that reason then, we can be encouraged by reflecting on the promises that God has given us in his word the Bible. I hope you can find comfort from reading these scriptures concerning the resurrection hope of seeing our dead loved ones again. See: John 11:11-44; John 5:21,28,29; Acts 24:15; And Revelation 21:3,4. My prayers are with your family.##imported-begin##Elijah Salim##imported-end##
