“ Gina was a lifelong friend and a truly memorable and loveable person. She loved her family friends and above all George (her son) and the good Lord. We are all so saddened to know that she is no longer with us here but we know we will see her again one day and be greeted by the smile and laughter that she could give like no other. She had the biggest heart and spirit you would ever be so fortunate to know and meet. Praying for peace as only God can give us to all of her family and friends. Rest in Peace my dear friend. Until we meet again. Love Always, Ken, Beth and John Calhoun

Gina (Peanut) was a life time friend. I am very saddened by this news. We recently got back In touch with each other. We played as kids together and hung out along the way. Gina loved a lot of things in life. I will miss her beautiful smile and laughter and our boiled peanut times. I will remember all the good times and fond memories we made together. Rest In Peace my dear dear friend. I will love you forever and ever. Until we meet again. To her family and friends I am truly sorry for your lost.
