“ *Granny was one of a kind and her love for her family and friends was like none other. She served as a surrogate Granny to all of us. Just like Mickey....Granny's presense was always known and her company was such a blessing; whether at the race track or stopping by Ramsey Acres to see her. Thank you Steele/Spivey families for sharing her with us for so many years. May God hold you all close and in the palm of His hand as He comforts you! She's back with Mickey and they're riding the streets of gold! Love ya'!!##imported-begin##Diana Johnson Saults##imported-end##*

“ *There was only one "Granny" Steele. Everyone that knew her loved her. In the early days of our church, when we had covered dish dinners, everyone went looking for Granny's caramel cake. She was always so sweet and appreciate anytime you called her or came by to see her. She loved everyone and everyone loved her. When you thought maybe you might go by to be a blessing to her, it was always the other way around. She was the blessing to you. She will be truly missed by all who knew her. Heaven is getting sweeter all the time.##imported-begin##Jack and Libby Barnhill##imported-end##*
