“ I'm at Sarah at CTCA we were both there for radiation treatment. We went bowling with the cancer Fighters group. Sarah actually had to teach me how to bowl because I was a horrible bowler. Sarah and I would go shopping together would spend time talking about our families we found that we had so much in common. I feel as if I had known her all my life. I was devastated when I got the news that she had passed. Sarah is truly a Proverbs 31 Woman. She's unique in many ways and I will never forget her. I love you Sarah. And my prayers are for her family and friends.

“ *Sarah, my sweet, sweet cousin with that great smile, I can not begin to say how much I will miss you and your big heart. I always loved when you came over when you were a baby. You looked like a doll baby and I loved taking care of you while y'all visited and the grownups had their coffee(and cigarettes). Please do not worry abt your sweet boys this family will take care of them. I love you dearly!*
