“ *I was so sorry to hear of Scott's passing. My condolences to all of his family. Although I haven't seen Scott in years I have fond memories of he and Brenda visiting our house on Christmas. I also worked with him for awhile at my father's woodworking shop. Rest in peace Scott.*

“ *I met Scott years ago when he married my next door neighbor! Over the years we became very close friends and we were always on the phone talking drag racing and the old days. I never made it down to Myrtle Beach much! (Only three times!) but when I did one of the highlights was having dinner with him! Last time was this past August! Soo glad I did! Rest in peace my brother, I will miss you and our conversations. Till we meet again!*
