“ Sebron and I spent many wonderful times together at Union Theological Seminary. We enjoyed New York City with fun filled energy. Sebe, along with our third room mate, Walter Ball, helped each other through the challenges of our work on the Sacred Music degree. Sebe and I also shared the same organ mentor, Vernon deTar, studying at the Church of the Ascension. It was my privilege after many years separation to visit with Sebe and Belle Miller two years ago and spend great moments reliving our days at Union. I shall miss a dear friend and send by prayers to Belle Miller and their family.##imported-begin##Robert M. Quade##imported-end##
