“ *When I must leave you For a little while, Please do not grieve And shed wild tears And hug your sorrow to you Through the years, But start out bravely With a smile. And for my sake And in my name, Live on and do All the things the same. Feed not your loneliness On empty days, But fill each waking hour In useful ways. Reach out your hand in comfort And in cheer, And I, in turn, will comfort you And hold you near. And never, never Be afraid to die, For I am waiting for you In the sky. You were loved by me and will be miss thank you for being my Friend an may God bless each of you##imported-begin##A Best Friend##imported-end##*

“ *Let's Not Wait We will meet again my friend, A hundred years from today Far away from where we lived And where we used to play. We will know each others' eyes And wonder where we met Your laugh will sound familiar Your heart, I won't forget. We will meet, I'm sure of this, But let's not wait till then... Let's take a walk beneath the stars And share this world again. She will be miss by each of us so much but she is in not more pain may god be with each of you###imported-begin##Terry Smallwood and Michael and Jackiet###imported-end##*
