“ *Loretta was a shining light with a smile that captivated the world. We met in Korea, 2007 and she always challenged me to stay in shape and always led by example. She loved life and her sense of humor never missed a beat. Loretta you are sorely missed. Rest in Peace.*

“ *Loretta we never met in person, but have spoken on the telephone many times. We were fighting the same monster this thing called cancer. Your had such a caring spirit and I will always cherish the words we shared. You are no longer in pain, you're cancer free and I praise God for that. I will continue to fight monster for the both of us. May you rest now in God's loving arms. May God give your family and loved ones you left behind comfort during this difficult time.*
