“ *We will miss Shane , his smile, his friendship and yelling "hay Shane", as he walked passed my house to go to town. He was kind and always took time to say hay. Occasional gifts he would share like the beautiful angel I have on my harp that he gave me last Christmas . Life is short. We need to take the time to be kind and show love for one another as Shane did!*

*My neighbors all my life. I could not ask for better ones. I pray for Gods peace and comfort to feel your hearts and lives as you go day to day!*

*Until that great day that we meet our love ones again with the Lord!
