“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ Shanna was an amazing, beautiful woman full of life with so much to give. She touched a place in Cole's heart and had a part in molding him into the wonderful boy that he is, and for that we will be forever grateful. She had a way of making his eyes light up and putting a smile on his face just by being with him. She will live on in our hearts forever. We love you Shanna. “ Dear Family: Our hearts ache with yours. We lost my son in a car accident last year. As a fellow realtor, and Christian, I point up to God and claim the verse in Romans 8:28 that all things work for good for those who love the lord. God used my son for His glory.
