“ Buddy,Lynn,& Joe, My prayers are with you as I share with you the grief of losing your Mother, who was my closest friend for thirty years. She always listened to my tears and fears, especially since my surgeries, and she always said "Jeanne,put it in Gods' hands" and now the comfort of those words can get us all beyond our grief because She is now in Gods' hands, in a place beyond pain. Any life she touched was made greater because of her love and understanding. Now that she is walking beside her God, she knows all the things we didn't have time to say, and how much we love and miss her, and what a blessing she brought to all our lives. -With Much Love, Jeanne Griffin and Family##imported-begin##Jeanne Johnson##imported-end##

“ Where do I begin. Sharon was one of the sweetest most loving person anyone would want for a friend. I remember her letting us take her kids to Florida with us on vacation. She said how you going to handle 5 kids when you have a hard time with 3. Well my husband was in charge and all he had to do was give 'em that look. Well we made it there and back with the 5 we started out with. We had a really good time. She told me she was moving to the beach. I'm sorry for everyone loss but we have all those memories that we had of her and with her in our hearts forever. May you look to Jesus for strength and comfort in the days, weeks and months ahead. May God bless each and everyone of you. One more thing. She was the best girl anyone could call FRIEND. ##imported-begin## Linda Drennan Parker ##imported-end##
