“ I can still hear that laugh, you could not mistake that laugh. It is what helps get through the days without her. Sha was one of the biggest influences in my life, most of all growing up. She was so strong and independent. I am thankful to have so many wonderful memories. She'll be with me heart & soul and in everything I do for the rest of my life. I'll miss you dearly but I'll never forget your smile and laughter.##imported-begin##Tonya Carver##imported-end##
