“ Sharon taught me about CB radios. She set me up on my very first prom date. She taught me about sunscreen...and never used it. She taught me to honk @ people who drove too slow in the fast lane. Most importantly, she taught me how to have my own voice when it mattered. We waited tables together, went to the beach together and went back-to-school shopping in NC together. I'm shocked & saddened to hear of her passing and my life is so much richer for her living. I am sending love to her now and to all that love her like I do. - Megan
