Sharon was my mother in law and we loved her so much. She took care of my two younger boys when I was at work. She loved my kids with all of her heart and they loved her so much. She had a special bond with them and they were always making each other laugh. Life will be different without her in our lives, she will be deeply missed. She brought so much love and laughter to our lives. We will cherish those memories we have of her forever.

I know that Sharon is at peace and full of joy. Until we meet again, we love you ❤️

Sharon was my sister, my friend. We had a very special relationship and have shared so much through the years, our hopes, our dreams and our struggles. I was so blessed to have her with me in SC for a year and a half. Especially blessed to have her as my sister. Rest in peace. You will be in my heart forever.

Sharon was a big part of our family for many years. We could talk about anything and laugh a lot. We did not have to agree on everything and that made are relationship special. Sharon made many friends and was so kind to everyone. She had a special place in her heart for her parents, sisters,her children and grandchildren. Sharon took what life gave her and it was not always fair but had a strong will to keep moving forward. I will miss my friend of over 60 years.

My Aunt Sharon was such a beautiful soul. I feel so blessed that she got to spend her last couple years living right down the street. On several occasions we got to spend some quality time together and we always had so much fun. I loved taking her out to dinner, to Walmart, and even to the occasional movie. She was such a strong woman with a heart the size of Texas. She loved her family so much and in my 45 years she never forgot a birthday or Christmas. I love you so much Sharon. I do find peace knowing you are free of any pain and with our beloved loved ones in heaven.

I was blessed to have met Sharon many years ago along with many members of the Slater family, and am saddened at the news of her passing. She was gracious, kind and proud of her family, whom I know will miss her very much. God bless.
