“ Daddy, Words can not express how much I appreciate you and the wonderful "step" family I aquired 19 years ago. I love you more then ever and I am here for you. Sharron will be deeply missed, she was one great step mother. She introduced and taught me many things. Esp the basics of cooking :o She sure knew how to cook!! Aunt Mamie is taking care of her now and they are sharing many laughs as well. This is not an easy time, but we will all get through it together as a family! I cant wait to see you in 2 weeks, I miss you already! To all my sisters, brothers, nieces and nephew.... I love you all, lets take this time to become closer. Sharron would have wanted it that way, and I still think she is working her magic from above! I LOVE YOU ALL I LOVE YOU AND MISS YOU DEARLY SHARRON, you were one amazing mother!###imported-begin###Serena-Lyn Nowakowski###imported-end##

“ Leo, I want to thank you for being such a wonderful husband to my mom. It makes the extreme grief we are all having a little more bearable! Not only were you the loves of each others lives but you were best buddies. I am so glad you were able to share 19+ years together. Thank you also for being my dad. To me you have never been a step-dad, becuae you have always taken me under your wing like any dad would. I love you so much for this. You and Babchi are the best grandparents any kids could ask for. I miss mommy so much already. My heart is breaking, but I find comfort knowing she is with God and her mother and Aunt Mamie and all the loved ones that went before her. She is cooking and throwing big parties everyday. I am also so thankful that we shared a mother daughter relationship and that she was and always will be my best friend. I love you Leo and together we will somehow get through this, Your daughter, Leigh Anne##imported-begin##Leigh Anne Stockbridge##imported-end##

“ Hey Dzia-Dzi...i don't really know what to say. Everything is such a shock...I just want you to know that you and Babchi have given me so many things that I will never be able to repay you for. So many memories that I won't forget -- like how we always used to wake you up in the morning before Babchi because she wasn't a morning person. Or how we would always go to the zoo to see the big pig..i don't even remember his name, but that's not what matters. What matters is that Babchi taught me so many things. She always told me she loved me and that I was beautiful, and I'm proud to be her granddaughter -- and yours too. I love you dzia, and I'm looking forward to seeing you in a month. I know Babchi is in a better place, looking down on all her grandkids :-). With all my love,
