“ *Shawn was a good friend to my family. He was one of the founding members of the competition shooting team for Alamo Custom Firearms, my former business. He was instrumental with the start up of my business and the training of the other team members. He came to our home on many occasions and we went to the USPSA Nationals together one year. I remember how happy he was when we were shooting together or just talking about the sport. I was stunned to hear of his passing. We have many pictures of Shawn with the team. Please accept our condolences. He will be missed. Jake & Linda Jacobs###imported-begin##Jake Jacobs###imported-end##*
