“ Ms. Seward was my daughter London's second grade teacher. Shawn was one of the most patient thoughtful people that I've ever met. Her positivity made a powerful impact on my family. She went above and beyond for my London and many other students. We miss her so much! Donna Ives

“ I met Shawn when we both lived in Steeplechase off Harrisburg Rd in the mid 80’s. We had so much fun together, from spending the night with each other, to brushing Sundance and mucking his stall at the barn. We lost touch until 11 years ago when we reconnected, and picked up right where we left off. I last saw her in September of this year right after she got out of the hospital. We met at Dead Dog Saloon for lunch, a couple drinks, talking and laughing! I was so heartbroken to hear of her passing! She was such a wonderful person and friend! Debbie and Marvin, sending prayers love and hugs to you both! Shawn, I love you and will miss you terribly!

“ *My deepest condolences to Debbie, Noah, Brodie, Don & Riley. Shawn was an amazing woman! I am very blessed to have been her friend and have had her as my childrens' teacher several times. Shawn always had a smile, and it was easy to see the love of she had for her family, her students and friends. She could make anyone feel welcome from the surf & waves to the classroom. Shawn will be deeply missed, but her spirit will remain with us. And I know each of us has special memories that will pop up on Facebook or find a note she wrote us... blessings when we least expect them. May these memories be an ongoing memorial to the wonderful woman, mom and friend she was. Love you, my friend!*

“ My heart is breaking. Ms Seward was by far the best teacher my daughter ever had. My daughter was kidnapped by her father and Ms Seward knew the situation. She was my lifeline to my daughter until I got her back. Sending messages back and forth and sending pictures. I owe her everything. Prayers to the family. She was so greatly loved by her students.
