“ Dear Bill and Margot, Sheila, along with both of you, touched our lives so deeply. You were all great neighbors and friends, we cherish the memories of those years on Flynn Lane in Poughkeepsie. Your warm welcome meant so much to us, as did your continued friendship. Our thoughts are with both of you as you face life without Sheila. “ Dear Bill and Margot, I am so sorry for your loss. Sheila and Margot were in a playgroup along with a few other mommies and children. We met weekly in each other's homes from the time that they were babies until they were in school. We had so much fun together and it was wonderful to be able to support each other as new mothers. Sheila was so very smart, funny and kind. I am sure that she will be missed by everyone whose life she touched. “ Dear Bill, Margot and Jim, We are sad at Sheila's passing but happy that she is without pain and at peace in heaven. She will always be a part of Waccamaw High School, especially our Foreign Language Department, where she gave so much of herself to her students and colleagues. Many students speak of her often in a loving way. On a personal note, she was my special "going out to lunch" buddy on staff development days. We always had plenty of laughs, and her laugh was so contagious! Also, she was always willing to try something new - a real adventurer! Our prayers are with all of you.
