Tribute Wall

“ Our hearts were saddened to learn of the death of your Mother, Sister, Daughter, Grandmother, and Great Grandmother. It has been so many years since my friendship with Melba (in fact all of the Morgans) allowed me to know Sheila and then Danny. As you begin life without Sheila, may your many fond memories be of comfort to each of you. May God surround you with a host of guardian angels to protect you in the days to come.##imported-begin##Freddie & Penny Queen Ribelin##imported-end##
