“ Jim,
Robert and I are so sorry to hear of the loss of Shelvia. In the many years as neighbors, we always will remember her out in her garden working diligently, caring for she loved to do.

We hope that you find peace and solice in knowing that she is truly home and has been given a beautiful garden to be in charge of. May the days and months ahead bring you peace in knowing that she is with the greeatest Creator of all and she is free of what this earth took from her.

Our Deepest Sympathies,
Julia & Robert Taylor
