“ I miss you so much! You were my other momma and all my children looked at you as Grandma Sherry. I can still hear you giving Walt a piece of your mind, well you gave everybody a piece of your mind. Lol. And for a tiny person like you....you were definitely a fireball. Sherry, you are sorely missed by many people including myself. I will Always Love You! (P.S. the song I always sang that made you and momma cry)
