“ Very sorry to hear about Sherwood. I worked for Thompson & Henry Law Firm and knew him as an agent for State Farm. He was always very courteous and a pleasure to talk with. Linda I had a class at TEC with you at night long long time ago. Please accept my sympathy. Kathy Hardee

“ I had the pleasure of working with Sherwood for many years at State Farm. I will always remember and appreciate his smile and his calm approach to the many challenges in Claims. He had a great ability to put things into perspective when people got unduly stressed about something. Sherwood would say, "in a hundred years who will care?". Thankfully, we won't remember those challenges in the years to come, but we will remember Sherwood!

“ I first met Sherwood in the Spring of 2022, the year that I moved into my new "Snow Bird" home. He was a true southern gentleman. We often badgered each other about our sports teams, my Pitt, his Clemson.
It took me awhile to figure it out that Sherwood always called you by your last name. After I got to know him better, I, myself, addressed him as "Hayes". Rest in Peace "Hayes".

“ *The last time I saw Mr. Sherwood was when his son was opening up the Jiffy Lube on 544 and he had assisted him with occupy in the land. He had come out to the property which was next-door to my home, and I got to visit with him for a short while had not seen him since unfortunately, but he was a fine man.
