“ *It has been a blessing to my life and an honor to be called son-in-law to the most Holy Spirit driven woman I have ever met. Her studies in Gods word did not stay with her selfishly, she made it her mission to share with anyone who would give her a listen. I am thankful for her unwavering faith and example of what it means to be a virtuous woman passed over to the love of my life, Vicky... We will miss you until we meet again.*

“ So much I could say but words cannot express what my heart feels. The lifetime of memories from my youth and you marrying Uncle Reg the dinners I ate with you, talks, sharing rides to work as I turned into a working adult, and the past few weeks one on one time.

We relieved so much, laughed, shared private talks , most of all shared the word of God, our Saviors sacrifice, and our moments in time.

I love you Aunt Shirley and I thank you for the honor of sharing the past few weeks of your life with me.

You raised a wonderful family leaving your legacy in their hearts as well as all that knew you.

Never complaining , always believing, in God's grace.

As you stand in His presence no longer wondering of his glory, I can only imagine how happy you are!

My earliest memories of Aunt Shirley was I felt awe every time I was with her. She, by any standards, was a beautiful woman; caring, and so willing to share with all of us children (I was young then too).

She would fold a dollar bill into almost anything. She spoke a contrived language she called "Double Dutch". I always wanted to learn it but, never did.

Most of all, I remember her grace and heart. She was just a good person, inside and out.

Uncle Reg, Gyland, Scott, Vicky, and Tony, as you know, I am not of Christian faith but, I too believe that she is seeing things today so, beautiful that we cannot even imagine them. After being bound on this earth she is now free. She has not stopped existing, she just changed plains of existence.

If she was offered a chance to return here, I believe she would not return. She, although he loves you all totally, she would choose to wait for you to come to her.

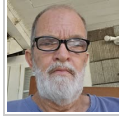

She has lived her life, as long as I have known her, to the highest of standards of humanity and Christianity. She deserves what she has earned and to enjoy all of the beauty and love she sees and feels now, for the remainder of eternity.

“ There was never a time when I was with Shirley that she didn't have an interesting story to tell me either about a book she was reading or something She had heard about. Her love for the Lord was greater than anyone I knew. Miss you Ms Shirley. Love and prayers to all the family.
