“ Loving Memories Your gentle face and patient smile With sadness we recall You had a kindly word for each And died beloved by all. The voice is mute and stilled the heart That loved us well and true, Ah, bitter was the trial to part From one so good as you. You are not forgotten loved one Nor will you ever be As long as life and memory last We will remember thee. We miss you now, our hearts are sore, As time goes by we will miss you more, Your loving smile, your gentle face, No one can fill your vacant place. Beth & Jack: Our thoughts and prayers are with you. With Love, Shirley & Family

“ Beth and family, So sorry to hear of Doris. I worked with Doris for years at the old Conway Hospital. She was such a big help to me when I first graduated from nursing school- she helped me learn the ropes. She was always pleasant to work with and she made work fun. I have alot of good memories of our working together. Barbara McLaurin Graham
