“ I never had the pleasure to meet Shirley in person and know that I missed enjoying a new friend. Knowing her children and a few of her grandchildren I know they came from great stock. She will be greatly and sadly missed.

“ Dear Breeze Family: I wanted to send my deepest and most sincere condolences during this unfortunate time in your life, but I also wanted to share with your family a comforting promise that God gives in his word the bible about the possibility of us seeing our dead loved ones again, its found at John 5:28,29 which reads in part:" Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life". Your family will be in my prayers, my sincere condolences.
