“ I met Shirley at South Conway Elementary when I began working there. We spoke often especially about prayer and how good God is. She shared that she was going to school for nursing. I think she has invited us to sing at her church. But Shirley was a sweet lady who loved the Lord , loved her dear family and she loved her friends. Family, we're praying for you all

“ Shirley was such a kind, sweet, loving Christian woman. She always put others first. Praying her family find comfort in knowing they can see her again, in heaven. May God comfort the family as only He can.

“ Shirley and I were close friends in school. She lived with us for awhile and then was our next door neighbor. We rode to school together. So sorry to hear this. I've thought of her often and the memories I have are treasures to me. Prayers for the family.

“ *I grew as a Christian with Shirley at Calvary Baptist Church in Jefferson SC. Shirley was a special lady who loved everyone. She was always ready to do anything that she was asked to do. She was my friend and my sister in Christ and I will always miss her. I will be glad for the day. I see her again in heaven. I love you, Shirley.!*

“ *I remember Shirley from South Conway Elementary School where my 3 sons attended but Johnny and I both fell in love with her when she was our nurse at Conway Internal Medicine. She always put you at ease and was never too busy to listen. After she retired we always took time to visit when we met at the grocery store. Our thoughts and prayers go out to her family.*

“ Ms. Shirley was always so nice to me. When she told me she was retiring, we both cried a little. She was my mom's nurse and then my nurse. I've often thought of her since then when at a doctor's office and that she sure could teach those nurses a thing or two about nursing and kindness. I'm so sorry for your loss.

Mrs Shirley has been a friend forever it seems to our family. First a friend, then our nurse to my mom as well as me and my husband. When Carolina Internal Medicine closed I knew she would get to enjoy the hot days outdoors! She was the only one I knew who liked the weather hotter than anyone else. We laughed about that so much when holding my cold hands. I'll miss her so much and know your family is in our thoughts and prayers.

My sister was one of the sweetest people on earth, but she was feisty when she thought me and her 2 brothers needed a "lesson on how to act." I miss her so 🍄 much. I want my sister but at the same time she would not phantom wanting to come. She was one of the most dedicated Christian ladies I knew. AND THAT IS THE TRUTH! (our saying) Loved you and now love your memory, SHIRKEY CLEAN.
