“ *Cindy & Family,*  
*My deepest sympathies to you and your family. I knew your mom from working at STRS ... Shirley was so full of life and laughter, and lived life to the fullest. Your mom always had a smile on her face, and kept those who visited the lunch room in laughter. Keep the memories of your mom close to your heart, and know she is smiling down on you from above.*

“ *Cindy and Family:*

*We are so very sorry for your loss. Your mom's memory will live on as each of us here at work will never forget her spunky sense of humor. Cherish all the memories you have and smile everytime she comes to mind. She will be with you in spirit as she smiles upon you from above. Although she is gone from the earth her memory lives on in your heart. We hope you can find comfort in knowing she is now pain free dancing with the angels.*

*With a heavy heart,*
