She was a great friend during those times. We got separated after school . We all went to our jobs but I never forgot the special friend during those times. May God strengthen and bless each and every one of her family.

“ Shirley and I spent many happy times together in high school. I spent a lot of time at her home. I really enjoyed her parents. She was one heck of a school bus driver. My heart breaks as I see her obit on Facebook. Another friend gone to meet the Master.
