“ So sorry to hear of Shirley's passing. She and I went to school together in the old Socastee School Building before it burned. I was three years older than her even though I remember her very well and she still looks like she did in school even though many years older, now a beautiful older lady. I remember her as being a very sweet 15 or 16 year old young lady and very pretty then. Due to the three year age difference we were never close friends but I am glad that I did actually know who she was. Even at that age I remember her as being a very nice and sweet young lady. I'm glad I did know her even though our relationship was not close. I also knew her husband back in those school days even though by sight only. May God bless each family member and comfort your hearts as only he can do during this time of sorrow and always is my prayer.

“ Words cannot describe the way I feel about Shirley's passing. She was my go to, when I was doing a Bible study, on something I didn't understand. I'll always remember her walking in the church ,with her Bible and a smile on her face. She was a blessing for so many women. My heart goes out to her family and we will be praying for everyone.
