“ Dear, Dear Mother--My lasting memory will be of you doing what you did best...running to the aid of your children. I told you I would be okay, but you would not hear it--you were so determined to come and make sure that I was okay that a higher power had to intervene. Thank you for your determination, but now it is time to rest and let creation wander across your soul in preparation for the next journey. I am sure that we will someday meet again. Godspeed.##imported-begin##Linda Marie Goetz Mierke##imported-end##

“ My grandmother was my heart and soul. She brought much comfort and many cheerful memories to my family and I. For everyone that shared her presence, I am glad you got to know such a wonderful woman. No matter how bad she felt she was always looking out for others. I will hold her accomplishments and all the things she taught me in life as my guide through my journey. She was one of the GREATEST grandmothers a girl could have and she will be my guardian angle forever. I LOVE YOU GRAM! R.I.P##imported-begin##Ashley Dobis##imported-end##
