“ My fondest memories of Shirley are not only her bright smile, but her greeting us at the door when we arrived to play Hand and Foot when she would tell Fred how good his aftershave smelled!! Then we had to give her the \$2.00!! She truly befriended every one and was a good friend. Give the guys a hug for us when you get together for cards up there, Shirley!! With Love Nora Schagel Meyer

“ Ralph and "my girls" as Shirley always called you , Len and I are so very sorry for your loss. Shirley was so vibrant and funny and we will miss her tremendously. We know she had difficulty getting back to normal after her surgery but she did it, and for that we will be forever grateful. It was so good to see her enjoying herself again.

That card group up in heaven is getting bigger and bigger. Be sure to save us seats.

I first Met Shirley when I was having a house built for retirement in Oak forest By the back Gate ,Shirley and Ralph lived across the street and offered to take pictures of the construction for us and sent them to us in N.Y. and we gave her cameras and she did just that for us .Then we came down often and visited with them and enjoyed their company Shirley always had open arms for all. ,The last I saw her was Yesterday I filled in for cards as a sub and the last game I played with Shirley it was an Honor to play with her , as Shirley was a very good card player and a lot of fun to. Will certainly miss Her .
