“ My most sincere condolences to the family. Ms Shirley was a dear friend to me, full of love and inspiration, always willing to help you in any way and praying for you daily. I will miss her so much, her phone calls, her smile, her prayers. If there ever was an angel who gained her wings, it's her. She has inspired me and lifted me up through troubled times more times than I can count. She greatly impacted my life from the day I met her. May she rest in eternal peace and watch over us as our guardian angel from above. I love you and miss you, Ms Shirley.
