“ Shirley was a very special lady. I became close to her when I cared for her for a couple of years. She was a friend that I could come to for advice. We had a few cry's and we had a lot of laughs over our coffee in the morning. I am sad I was not there for her at the end of her life. I will hold our memories in my heart forever. RIP Shirley you are a Angel watching over us.

“ Had the opportunity to work with Shirley in purchasing my condo in myrtle beach. Found her to be an outstanding and interesting individual. She had a great many interesting stories that I enjoyed. I would like to think I am better person for having known her. My sympathy to her family.
