“ I only found out today that Shirley passed a year ago. I am heartbroken that I won't be seeing her smile or hear her laughter anymore. My condolences to Tom and family and I will miss her terribly. A true Southern Lady.

“ I always liked to joke that Shirley had been cutting my hair since before I was born, since she used to cut my mom's hair while she was pregnant with me. Over the years, I went back to see Shirley not just because she was the best hairdresser around, but because she was a great lady and a good friend to my family. Even after I moved to a different city, I still went back to see her.

I hate that I didn't know of her passing sooner. Shirley will most definitely be missed. She was a great person at everything she did.

“ Shirley was not just my hair stylist, she was most of all a friend. I looked forward to my Thursday appointment, as she always made it special. I use to bring peach cake for Shirley, Brenda & Tommy. She in turn would make her homemade chicken salad, and would always share some with me. She was a dear, loving & talented lady & will surly be missed my many including me.

Shirley, may you rest in peace.

Love you,

“ Shirley was the first person I met when I retired to Conway. I knew instantly she would be a true friend. She provided me with Conway history and many helpful things. I loved coming to the shop not just for my hair - her and Tommy had the best marriage ever. They laughed and joked with each other. I told her a joke last time I was there about TV remotes - she could not stop laughing! Shirley I miss you already. RIP my dear friend. I love you and will see you one day!
