“ Granma Shirley was a wonderful lady. I did not know her for a very long time but she opened her doors to me and my child. We went to her house on Sundays and ate diner with her and her family. She was a very special woman to me and my heart goes out to her and her family. I appreciate everything she and Mr.Marion has done for me. If the world only had more people like Granma Shirley this in it, this would be such a better place. Until we meet again.
Love You Always
