Some people that God allows into our lives are simply unforgettable. Shirley was one of those people. I loved her with all my heart and will never forget her. Just like Machel, Shirley was taken before anyone was ready to let her go, but I know they are dancing together in heaven at this very moment....and that thought makes me smile.

My thoughts will be with all of the family, because it feels like you have lost the whole world when you lose your mother!
My mother died four years ago, and it seems like yesterday!*

Shirley will be greatly missed. She was a very unique lady. Rest assured that she is resting in the arms of Jesus.
