“ We will miss you Shirley. Wanted to share this: " God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "Come to Me." Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best." - Author Unknown

“ *Grandma, I love you so much. I always have. I know I don't have to ask to know that you loved me too. It's been five days since I've heard your voice and I don't know what to do with myself. I want you back so badly. I know you're at peace now and that's supposed to be a good thing. I keep catching myself drinking strawberry soda and taking a deep breath when I cut onions...I'm not sure how to move on from this but everyone keeps saying that I will. You and Grandpa were everything. And you always will be. I love you Mamaw. I'm sorry you didn't get a chance to meet Jacob. He would have loved you just like Jimmy does. Say hello to Jesus for me.*
