“ I have many great memories with "Pops". I will never forget his smile, it would light up the room. And how he couldn't wait for my son to be born as he would always rub my belly. He will be forever loved and never forgotten. I can't wait to see you again one day Pops. R.I.P~~ Love you.....

“ I will never forget the family reunion when Uncle Sidney took me out in the 350z, we stopped half way down the road and he said lets switch. I was 12 years old driving a 350z (manual transmission). He was a brave man trusting me with that car but little did he know, he left an everlasting memory with me, one of which I will forever cherish. I'll never forget you Uncle Sidney, Love you very much and thank you for the great memories.
