“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as the comfort found in God's word the bible. Romans 5:12 says,
"That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ *To the Holly Family!*
Having the blessing of knowing Sol back in the late 50's and 60's leaves me with only the best of memories. His captivating smile and innate ability to converse with anyone was a true model for anyone to follow. May God comfort you all during this time and make permanent the fond memories of a truly great person.
