*Dear Chuck & Karah,*

*Mary and I are so saddened by Sandie's passing. She was so courageous in facing her terrible illness and always kept a cheerful attitude. You both were wonderful to her throughout her ordeal. May you take some comfort in knowing that Sandie and both of you are very much in our thoughts and that we will miss her dearly. We treasure your friendship and will, of course, be in touch.*

*Love,*

*In lieu of flowers, please take a quiet moment to yourself, and sit down with a coffee and brownie and reflect on life. Seriously. Sandie was always famously connected with brownies. Chuck*
