“ At times like this we can find the comfort that only God can give us through his word the Bible. The ancient man Job asked this question as he looked forward to and believed there would be a resurrection from the dead. Job 14:14-15 Job asked: If an able bodied man dies can he live again? All the days of my compulsory service I shall wait, Until my relief comes. You shall call, and I myself shall answer you. For the work of your hands you will have a yearning. How wonderful to know that God yearns to bring people back in a resurrection. Please accept our deepest sympathy. Terry & Leonore Goerman###imported-begin###Terry Goerman###imported-end##
