“ *Sharon,*

I am so very sorry for your loss. Sonya played a large part in my life and I share my story of her often.

In high school, I was bullied every morning in the parking lot. One morning my heroine showed up to save me from the attack. That person was your sister, Sonya. Her heart was golden. I was never bullied or attacked again. I will never, ever forget that memory and her angel wings for she was my Angel that day and will forever hold a special place in my heart.
